Intermountain Home Delivery Pharmacy makes getting medications easy with free home delivery for most 90-day prescriptions. Home delivery may also help you save on copays and other prescription fees. Enroll now.

Intermountain Home Delivery

Mark Cuban Cost Plus Drug Company (Cost Plus Drugs) offers hundreds of critical medications at low prices. Select Health and Scripus members have in-network coverage through Cost Plus Drugs. Check to see if your medication is available and create an account.

Cost Plus Drugs

Rx Savings Solutions examines the medications you take and finds options that can save you money, including access to coupon cards and cash pay. It's free, so sign up today!

RxSS

Amazon RxPass

Amazon Prime members may find less expensive cash pay options for some drugs through Select Health and Scripus' collaboration with Amazon RxPass. Click below to see pricing and medication choices available through RxPass. Using the service adds an additional \$5 per month to the Prime membership.

RxPass

Intermountain Home Delivery Pharmacy

Good for members using long-term maintenance medications, who want the convenience of a 90-day supply, using their insurance benefits

Intermountain Home Delivery Pharmacy makes getting medications easy with free home delivery for most 90-day prescriptions. Home delivery may also help you save on copays and other prescription fees. Enroll now!

Intermountain Home Delivery

Mark Cuban Cost Plus Drug Company

Good for members who want to find low pricing on many generic drugs and want to use their insurance benefits for home delivery

Mark Cuban Cost Plus Drug Company (Cost Plus Drugs) offers hundreds of critical medications at low prices. Select Health and Scripus members have in-network coverage through Cost Plus Drugs. Check to see if your medication is available and create an account.

Cost Plus Drugs

Rx Savings Solutions with GoodRx Coupons

Good for members who want to cash pay and use GoodRx coupons at their in-network pharmacy. Service also includes other savings opportunities

Rx Savings Solutions examines the medications you take and finds options that can save you money, including access to coupon cards and cash pay. It's free, so sign up today!
